Sir:

This Petition is being filed responsive to the Notice of Abandonment mailed  
**September 22, 2006.**

The Notice contends that:

Applicants requested a Pre-Appeal Conference but have  
failed to respond to the decision of the Pre-Appeal Panel.

Applicants' representative never received the decision of the Pre-Appeal Panel.  
Thus, Applicants' representative was not aware that a time period had started for filing  
an appeal brief.

The required practitioner's statement is enclosed.

Also enclosed is a copy of the docket record where the non-received office  
communication would have been entered had it been received and docketed. Filing of  
the appeal brief would have been docketed for April 15, 2006.
